

## SEMINAR REGISTRATION FORM

Do you wish that you had an opportunity to learn about money management when you were a kid? Do you ever wonder how different your life would be if you had practiced these skills earlier in life? What if you knew then what you know now about *money, credit, finances, savings*? If you see the value in teaching your kids money management as a life skill, our seminars may be a good fit for you and your kids.

Our seminars teach kids (ages 11-16) great money management skills that will help them prosper in the global economy. Kids are able to use the skills they learn at our seminars right away – they don't have to wait until they are older!

Fun and action packed, the Kids Ride to Riches 1-day seminar is valued at \$395.00
